GSNL Recommended Teaching Sequence

Continuous Rotation, new students can start at any time in the rotation.

1. How Can I Know I'm a Christian?
2. A Quick Look at the Bible
3. Attitudes
4. Temptation
5. Successful Christian Living
6. Growing Through Failure
7. Christian Practices
8. Obedience to God
9. Obedience to Man
10. Anger and Personal Rights
11. How to Study the Bible
12. Love and Accepting Myself
13. Personal Relationships with Others
14. Spiritual Power and the Supernatural

My recommendation: Start with A Quick Look at the Bible

It is the shortest course. It is one of the easiest to teach

Use Class Assignment List:

Hand out materials and assignments before class begins. For example: On Friday so they can read and do projects for Monday's class.

Teach the class

Open with Prayer

Give quizzes at the start of class (if quiz day).

Collect Study Guides at the end of class. Grade and return to students before evening study hall.

Use a record form to track grades.

Prepare tests and certificates before test day.

Certificates can be half-size on color paper for a nicer look.

Hand out certificates after the tests are graded, reviewed by students, and returned. Do not allow students to keep the test.

Structure for each GSNL course

Most are designed for 5 class sessions, and some have 10 sessions.

Each lesson has a Key Biblical Truth and a Key Verse

Each lesson ends with a personal application

All courses have quizzes: Scripture memorization, lists, etc.

Use the Class Assignment List in Study Guide
